

The Quarterly Connection

Powered by Global Interconnect

Customer Outcome

"It has been excellent working with you and I have been really impressed by the work carried out by the team to get us towards where we need to be on the cable cosmetics. It feels like we have made such good progress and are very close. Thank you so much for the ongoing support."

- Product Engineering Manager,
Early Stage Women's Health OEM

Gii Insights:

Cooking Up Connectors

Check out our latest Youtube video of our VP of Marketing, Kyle Kruse, "cook up" a few single-use connector designs that are bound to have you coming back for seconds!

Our Events:

Chinese New Year Party:

Feb. 2

We celebrated the Lunar New Year and welcomed in the Year of the Rabbit with Chinese trivia and got to learn more about our team overseas!

MD&M West:

Feb. 7-9

Kyle, Roscoe, and Scott traveled to Anaheim, California for our first tradeshow of the year and our fourth time attending MD&M West!

Customer Visits:

Feb. 26 - Mar. 3

Todd, Chet, and Scott traveled to Costa Rica to visit some of our customers and partners.

The Gii Team:

Employee Spotlight:

"Working with a team that can provide such meaningful outcomes to the world's largest medical device OEMs [has been] incredibly rewarding. It's been a pleasure working at Gii. I enjoy what I do and the people I work with."

- Chet Potter, V.P. Engineering/R&D

Industry Involvement:

In March, Kyle Kruse attended The Massachusetts Medical Device Development (M2D2) \$200k Challenge event at UMASS Lowell as the Master of Ceremony. Gii is a proud sponsor of the M2D2 program.

Continuing Growth:

In February, our Junior Buyer, Kyle Ludman, attended the 3DEXPERIENCE World Conference in Nashville, Tennessee to advance his knowledge in innovative technology. Go Kyle!"

Anniversaries:

Martha Fish, Lead Program Manager, and Chet Potter, VP of Engineering/R&D, are celebrating 10 years at Gii!

Gii China:

We Moved!

Our new office in Humen, China is a state-of-the-art facility designed to accommodate our growing Engineering, Quality, and Sourcing teams. Its strategic location provides easy access to manufacturing partners and suppliers, ensuring our continued commitment to our customers and future growth.

Did you know?

Gii has been ISO9001 certified since 2007 and ISO13485 certified since 2011!

The Gii Advantage:

RF Ablation Probe

Global Interconnect has assisted medical OEMs worldwide for almost 30 years in delivering high-quality devices for life-saving procedures. Our fully integrated manufacturing model reduces costs, improves the supply chain, and shortens lead times.

Office Dog of the Quarter

And the winner is... Elsa!

Elsa is a Great Pyrenees and is 7 years old. When visiting the office, you can find her laying under people's desks (even though she barely fits) and is always looking for treats and pets. **Congratulations Elsa!**
